

- 1 c** Do not use this as an excuse to not stop at a yellow light when it is safe to do so.
- 2 b** Do not enter a blocked intersection, even if the lights are green.
- 3 b**
- 4 b** Do not stop at a yellow light if sharp braking will cause a crash, or if you cannot stop safely before the stop line.
- 5 a** (Pedestrians who have started to cross can finish crossing).
- 6 c**
- 7 a**
- 8 c**
- 9 b**
- 10 c** STOP first!  
Many drivers do not stop and this is illegal.
- 11 b**
- 12 a**
- 13 c** (It is illegal to U-turn at traffic lights unless a U-TURN PERMITTED sign gives you permission to do so).
- 14 c**
- 15 a**
- 16 b** You must give way before turning.
- 17 c** A green light means "go if safe". The driver must check if it is safe and there are no pedestrians or vehicles to give way to.
- 18 b**
- 19 a** You must give way before turning.
- 20 c** Do not enter a blocked intersection, even if the lights are green.
- 21 a**
- 22 b**
- 23 a**
- 24 c**
- 25 a** (Obey the traffic lights if they are working).
- 26 c** Do not enter a blocked intersection.
- 27 a** Do not enter a blocked intersection, even if the lights are green.
- 28 a** Always obey traffic lights, even if there is no other traffic around. (If police, emergency workers, traffic controllers etc are directing traffic, you must obey them instead of the lights).
