

- 1 a** If you are doing a DriveSafe NT lesson with a registered instructor, the instructor can give you permission to drive at any safe legal speed.  
When you driving on your NT Learners Licence with a relative or a friend as the accompanying driver, you must never go faster than 80km/h, even if the speed limit of the road is higher.
- 2 a** If it is a multiple lane road, use the left lane if practicable.
- 3 a** Not even in an emergency.
