

TRIPS

1 a Fatigue (being very tired) is a major cause of road crashes in the NT.

2 a

3 a If tyres are under-inflated they run hotter and could cause a blowout on a long trip.

4 c

TOWING

5 b

6 c

7 a (People are also not allowed to ride in load spaces or the backs of utes.
Tie dogs up so they can't jump out of the backs).

BREAKDOWNS

8 b Switch your hazards lights on, and get passengers out of the car and onto a safer location off the road.
Avoid standing on the road.
Raise the bonnet (engine cover) if you need help from passing motorists.

HOONING

9 a

10 c

11 a

REVERSING

12 c

RADAR DETECTORS

13 c

SEATS & MIRRORS
